Dear Laura,

I sent the email below to Lil and Jeff. Do our finance colleagues know about this? Should Sheridan be told? This is an ongoing story. At what point will he stir up some real trouble? I do not suppose that Carlos ever accepted your lunch invitation.

Best,
Meeta

Lil,

Sorry to have to forward these tweets on the very first day of the semester, but here they are. I'm becoming very concerned about the safety of our events at this rate. The tweets start as soon as any poster about us goes up somewhere in the building. Thankfully, this time he has not tagged some politician.

And yet we at @salemcenterUT are the ones who get attacked for not being balanced enough or whatever, even though we invite f***ing communists who support the murder of the Romanov children to debate.

Thanks,
Meeta
